

The Official Star Trek website is not authorized by CBS Studios in any way, nor were any of the actors and actresses in this series an official part of any of the Star Trek series, films, or TV shows. The film's director, Lee Majors, is not even a fan of Star Trek. The advertising campaign featured in this film was the first of many, such as the Matthew Broderick in Ferris Bueller's Day Off or the Jamie Lee Curtis in Halloween campaigns. The lyrics were written on the basis of the drawings, which was done in a regular chronological order. The author considers that her book could be of help to the children with disabilities who are involved in art activities. "This book is not intended to be a scientific work, but to offer an alternative for people who are interested in the art of our times, as an expression of a free-flowing, natural form of communication, like a letter."
